

Restart Kits for Refugees

Thank you!

Thank you for your interest in donating items to help set up homes for refugees! Most refugees arrive in the US with next to nothing; you can help them rebuild their lives by putting together a Restart Kit.

Putting together Restart Kits is also a great way to involve your friends, work teams or small groups!

- **Please purchase new items** so these kits will bring honor to refugees coming to Salem and reflect their dignity.
- **Place the items in a clear plastic tub** that can close, and label the top of the container with the Restart Kit name.
- **Include a hand written, unsealed note welcoming the family.**
- **Kit must be complete.** We are not able to accept individual items from kits.
- **Tape larger items to top of kit if they don't fit inside.**
