

# Restart Kits for Refugees

## Thank you!

Thank you for your interest in donating items to help set up homes for refugees! Most refugees arrive in the US with next to nothing; you can help them rebuild their lives by putting together a Restart Kit.

Putting together Restart Kits is also a great way to involve your friends, work teams or small groups!

- **Please purchase new items** so these kits will bring honor to refugees coming to Salem and reflect their dignity.
- **Place the items in a plastic tote** that can close, and label the top of the container with the Restart Kit name.
- **Include a hand written, unsealed note welcoming the family.**
- **Kit must be complete.** We are not able to accept individual items from kits.
- **Tape larger items to top of kit if they don't fit inside.**
